SAVE OUR NEIGHBORHOOD FIREHOUSE

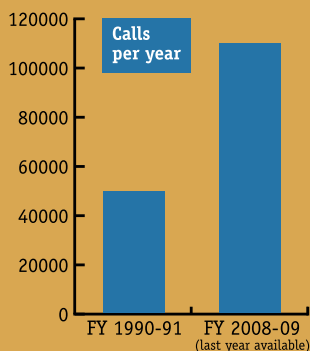

CHECK THE FACTS:

While other parts of government have grown substantially in the last 20 years, the Fire Department has been getting more efficient. Firefighters and medics responded to more than twice as many calls in 2009 than in 1990.

That's why the last thing we should cut are vital services handled at our neighborhood firehouses.

GENERAL FUND SUPPORT FOR SF FIRE DEPARTMENT

(amounts in millions of dollars)

Dear San Francisco Neighbors,

San Francisco's firefighters are working side-by-side with their fellow San Franciscans to meet the challenge of today's economic crisis.

We're cutting our budget at the Fire Department, improving efficiency and even digging into our own pockets and taking less pay to help close our city's half-billion dollar budget gap.

We're doing all this so we can preserve our neighborhood firehouses — your first line of defense in the event of fires, medical emergencies or any major disaster.

Please join the Save Our Neighborhood Firehouses coalition by signing up at www.SaveOurFirehouses.com or joining us on Facebook.

We're cutting the fat — but we shouldn't cut neighborhood firehouses that are your first line of defense against fires, medical emergencies and major disasters.

Thank you,
Tom O'Connor
